**Renewed Joint Motion for Entry of Agreed Protective Order**

---

The parties jointly move the Court to enter the proposed protective order attached as EXHIBIT 1, and in support state:

1. To address any issues involving confidential information in this case, the parties have agreed to the terms of a protective order.
2. Their agreed proposed order is attached as EXHIBIT 1.
3. The parties feel that the proposed order strikes an appropriate balance between protecting what needs protecting, and disclosing what should be public.
